Address: ½ Hampton Drive, St Heliers, Auckland

WORK EXPERIENCE

Sysdoc — Front-end Developer & Consultant

April 2021 - Present

Creating web applications in Sharepoint using Typescript, React and Sass. Worked on internal projects as well as projects for clients like ADHB, Anchor, FMG, Fonterra and the Reserve Bank.

EDUCATION

Auckland University of Technology — Bachelor of Computer and Information Sciences

February 2018 - November 2020

I graduated in the class of 2020, Majoring in Software Development with an average grade of B+.

Selwyn College — NCEA Levels 1 to 3

February 2015 - November 2017

I learnt basic web development and attended two ICE courses at Techtorium via the school's Computer Studies class.

NOTABLE PROJECTS

We Are Us Website

I was in a team of 4 to build a minimum viable product for a startup aiming to create a platform for small healthcare & wellbeing businesses.

My roles:

- **Front-end Developer:** Developed the UI for the web application using ReactJS and Bootstrap.
- **Scrum Master:** Managing the group's progress using the Scrum framework and Trello.
- **Tester:** Conducting UI testing as well as unit testing using Jest.

Nothing

<https://shielded-inlet-26000.herokuapp.com/>

A simple ecommerce project made using the MERN stack with Stripe for payment.

TECHNICAL SKILLS

HTML SCSS JS CSS

SP Figma Git Cypress

AWS React Jest Trello

Scrum Azure Typescript

SOFT SKILLS

+ Self-motivated Learner

+ Communication

+ Teamwork

+ Project Management

ACHIEVEMENTS

2016 NZ National Champion in Speedcubing

- I won the 2016 National Championship in Rubik's Cube solving with an average of 11 seconds.

Most Valuable Player for Selwyn

Badminton - Awarded in 2016 and 2017 as I led our school from the bottom of C grade to the B grade finals.
